SOCIAL MEDIA & TEENS WITH ASD

Do you have a teen with an Autism Spectrum Disorder (ASD)?

Does your teen with ASD use social media websites including: Facebook, Twitter, Instagram, Google +, Pinterest, Tumblr, MySpace, onling gaming, or online chat rooms?

If **yes**, then please participate in this research study! You and your teen can also enter for a chance to win a **$50 Target gift card!**

For more information regarding the study and to access the study link, copy and paste the URL into your browser:
